Webinar Agenda

- Background on [StoryCenter](#)
- Rationale for Using Storytelling to Address Sexual Assault
- Overview of Our Digital Storytelling Methodology
- Exploring Impacts Through Case Study Examples
- What Does it Take? Resources, Tools, Options ...
- Questions and Discussion

Background on StoryCenter

- Developed original [digital storytelling methodology](#) in 1993
- Lengthy history of collaborative work with [community-based and institutional partners](#) around the world
- Accessible to individuals at all levels of experience as storytellers and video editors (we are skilled at adapting our methods for non-literate or low-literacy groups)

Rationale for Using Personal Storytelling to Address Sexual Assault

Research shows that telling and listening to stories can ...

- increase [self-esteem](#) and [wellbeing](#)
- provide [information / skill-building](#)
- [help communities bond and become politicized](#)
- [inspire people to take action for change](#)
- influence [public policy](#) and [legislative decision-making](#)

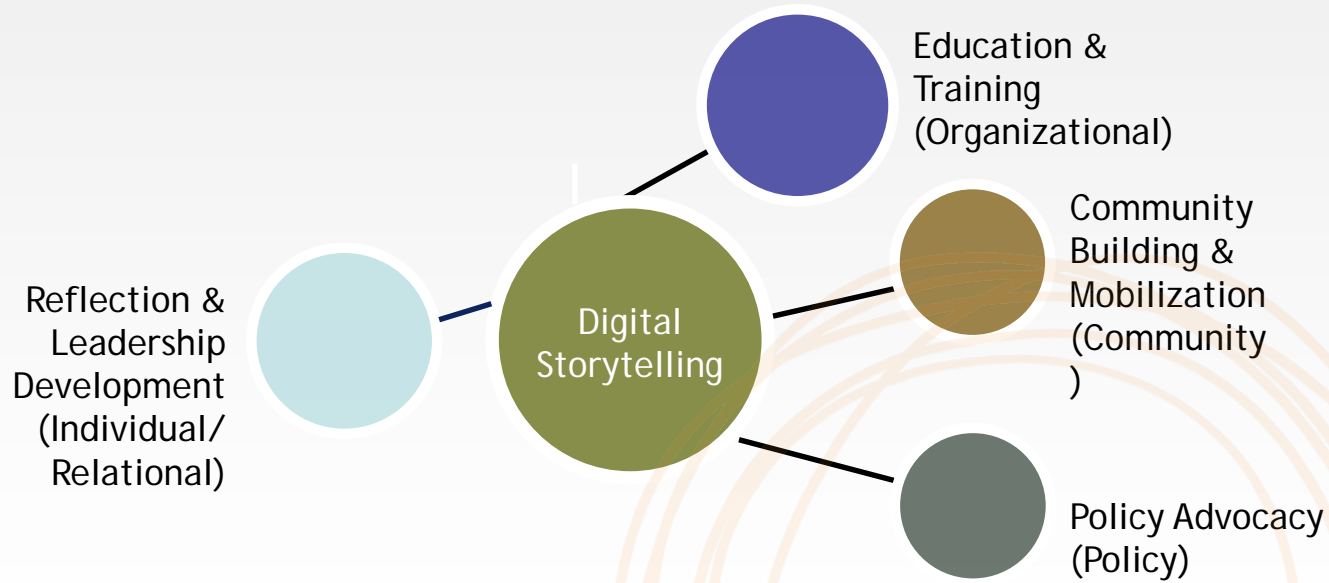

Overview of Our Digital Storytelling Methodology

- Finding Your Story: “7 Steps” of Digital Storytelling; Story Circle
- Hearing Your Story: Script Writing and Recording
- Seeing Your Story: Image Collection and Production
- Bringing it All Together: Video Editing; Story Screening

Read about [our approach to ethical practice](#) ...

Exploring Impacts Through Case Study Examples: Introduction

** This model is grounded in the Social-Ecological Model for public health prevention*

Exploring Impacts Through Case Study Examples: [Asian Women's Shelter \(AWS\)](#)

Developing [stories for use as training tools](#), to enhance understanding of how providers and communities can support diverse Asian and Pacific Islander communities.

[View Story](#)

Exploring Impacts Through Case Study Examples: Project Survive

Positioning [community college students' stories](#) as key ingredients for community education and advocacy.

STORY
CENTER
LISTEN DEEPLY. TELL STORIES

What Does it Take? Resources, Tools, Options ...

- Resources (Financial and Human)
- Tools (Sharing, Recording, Editing)
- Options: Full Digital Storytelling Workshop or Story Circle Sessions Combined with Photography Training

Questions and Discussion
