Website Surcharge (Payment by Credit Card):

Eventbrite, the registration website we are using, charges a percentage of your registration fee. We apologize for this inconvenience! If you want to avoid the surcharge, you can pay by check (see below).

Paying by Check:

If you wish to pay by check, please see the attached registration form (page 4 of this document).

Receipt of Payment:

If you register online, you should automatically receive a receipt of payment through Eventbrite. If you register by mail, we will email you a receipt of payment within two business days of receiving your registration form and check.

Refund Policy:

We understand that you may need to cancel your registration. All refund requests must be submitted through Eventbrite (for online registrations) or via email (for mail-in registrations) to info@indianacesa.org by 11:59pm on Monday April 22, 2019. Refund requests made after this deadline will not be honored.

Discounted Student Registration Fees:

We have created a special, low-priced registration fee for students. A student is defined as someone who is enrolled at a post-secondary institution on at least a part-time basis (6 credit hours), and who can provide a valid copy of their student photo ID. Students are **required** to use their university email addresses when registering and must provide ICESA with a copy of their valid student photo ID by the registration deadlines listed in the table on page 1 of this document. Failure to provide documentation of student status in a timely manner will result in a cancellation of the registration. Email all documentation to info@indianacesa.org.

Group Registrations:

If you are registering multiple people, you may do so one by one on Eventbrite (if paying by credit card) or you may use the attached registration form to pay by check. One check can include payment for multiple people, but you **must** fill out the attached registration

form for **each** attendee. If you have any questions about group registrations, please contact minette@indianacesa.org before beginning the process.

Continuing Education:

There will be no additional on-site fees for continuing education this year; all continuing education credits will be offered free of charge! The following opportunities will be available (pending approval):

- ❖ Behavioral Health Continuing Education Units (CEUs) – Category 1
- ❖ Continuing Legal Education (CLE) Credit/Non-Legal Subject (NLS) Credit
- ❖ Law Enforcement Training Hours

Presenters:

If you submitted a proposal, please DO NOT register for the conference until you are notified of your proposal's acceptance or denial. Accepted presenters will receive free conference registration. If your proposal is not selected, don't worry: because you will be notified by February 1, you will still have plenty of time to take advantage of the Early Bird Registration.

Still Have Questions?

Please direct all questions to ICESA's Training Coordinator, Minette Valentine, at minette@indianacesa.org.
